

BEACON OF

HOPE

CAPITAL CAMPAIGN

CAMPAIGN GOAL EXCEEDED!

Dear Friends of Hope Acts,

You did it! You are truly Beacons of Hope. My sincere thanks to each of you for your donations to Hope Acts' Capital Campaign for Hope House. Thanks to you, we have raised the funds to fully refurbish our apartment building and client service space. I look forward to celebrating the completion of the project this summer and inviting you for a peek at our "new" space.

I can't think of anything more important than standing up for immigrants and other people maligned by the Federal government. Hope House is so much more than a building, it is a place where we will welcome and support immigrants to our community.

With deep gratitude,

Martha Stein
Executive Director
